Unfortunately, we have been informed that the team also has a Food Debt that was left in Bukinda at the Regional Competitions to the tune of **UGX 392,000**.

As we all know the current constraints of the school it would be prudent that we as Old Boys contribute generously towards realising the successful participation of arguably the only activity the whole Kigezi Region knows Siniya is unbeatable at. **I personally find this a very noble cause that we all must be associated with and get it out of the way immediately.**

Thank You!
